You Can Save Money

If you're enrolled in the PPO plan, your coinsurance and deductible are waived, so you have no financial responsibility when using SurgeryPlus. If you're enrolled in the HDHP plan, you only pay the amount remaining of your deductible. That's it! Newell Brands waives your coinsurance up to your out-of-pocket max for your procedure. We will also provide you with a pre-loaded debit card to help you pay for gas, meals, and parking prior to all of your appointments. Due to the way we contract our providers, you can rest easy knowing you are not responsible for any bills post-procedure, and there are no surprise "out-of-network" providers.

You Do Not Need to Enroll in SurgeryPlus

If you are covered under one of Newell Brand's health plans, you have been automatically enrolled in this extra benefit at no additional cost. If you are planning a procedure, call SurgeryPlus as you could save thousands of dollars.
